### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ted Szczech on 3/8/06.

The application has been amended as follows:

Claim 2. The pedal extension of claim 1 wherein: the box is a portable briefcase.

Claim 3. The pedal extension of claim 2 further wherein: the box includes a handle, or a shoulder strap, or back straps.

The following is an examiner's statement of reasons for allowance: claims 1-7 are considered allowable over the prior art, as the prior art does not teach a pedal extension for small pianists on a multiple pedal piano, one pedal being a damper pedal comprising a rectangular box having a first side with four feet contacting a floor, a second opposing side forming a footrest; a front end facing the piano, two vertical sides separating the side with four feet from the footrest sides at a usable height and to form a storage space within the box, a pressure bar on the front end of the box for fastening the box to at least one of the piano pedals; a push knob in contact with the piano damper pedal, said push knob on one end of a threaded rod disposed vertically through

a slot in said footrest side; an extension pedal having a threaded hole therein with said threaded rod screwed through the hole, wherein the extension pedal has one end fastened to the footrest side via a hinge, and a rod-length-adjusting knob on the opposing end of said threaded rod, with said adjusting knob adjusted to lift the extension pedal from the footrest side.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey Donels whose telephone number is 571-272-2061. The examiner can normally be reached on Monday through Thursday.
